PROPOSED MEMBER BENEFITS | FINAL INCLUSIONS SUBJECT TO APPROVAL

INDUSTRY LED COMMUNITY

Where industry meets digital innovation.

A connected industry. A digitally enabled South Australia.

Built Digital SA connects people, businesses, researchers, government, educators and asset owners across South Australia to share practical knowledge and improve how we plan, design, deliver and operate the built environment.

Our network explores BIM, Digital Engineering, information management, ISO 19650, asset intelligence, AI, automation, interoperability, digital twins and the people and processes required to make new ways of working successful.

MEMBERSHIP IS MORE THAN ATTENDANCE

CONNECT
Meet peers and experts.

LEARN
Share practical knowledge.

CONTRIBUTE
Shape industry dialogue.

ADVANCE
Build future capability.

THE OPPORTUNITY

Membership for people and organisations

Individuals join for learning, networks and career development. Organisations can build visibility, connect with emerging talent and contribute practical insight to the development of South Australia's digital capabilities.

PEOPLE AND EMERGING TALENT

Starting your digital journey.

Accessible opportunities for students and individual practitioners.

Student Membership

FREE

STUDENT / NO FEE

For students beginning their journey in the digital built environment.

- Access to selected BDSA event resources and entry level learning materials.
- Networking and mentoring opportunities with industry professionals, where available.
- Connection to emerging talent information, graduate opportunities and relevant industry news.
- Access to suitable student discussions once member verification and forum functions are available.

Individual Membership

$100

ONE YEAR / ONE UPFRONT PAYMENT

For practitioners seeking professional learning, new connections and industry insight.

- Member updates, event resources and relevant guidance from the BDSA network.
- Discounted tickets to selected BDSA events where member pricing is offered.
- CPD attendance certificates at eligible events and opt in directory listing when available.
- Access to industry discussions, expert insight and relevant digital opportunities as delivered.
- Committee led insight sessions, member roundtables and additional resources are proposed.

ORGANISATIONS

Support. Collaborate. Grow.

Two levels of corporate participation, designed for a stronger industry presence and practical capability exchange.

Bronze Membership

$1,500

ONE YEAR / NEW PROPOSED TIER

An entry level organisational option for businesses supporting digital progress.

- Organisation profile and recognition in the BDSA member directory, once available.
- Access to 2 virtual workshops per membership year.
- Industry updates, member networking and relevant briefings.
- Opportunities to propose practical case studies and join member conversations.
- Connections to emerging talent and digital industry opportunities, where offered.
- Staff access, conference allocations and other entitlements require committee approval.

Silver Membership

$2,500

ONE YEAR / FORMER CORPORATE TIER

For firms investing in learning, talent, collaboration and industry visibility.

- Includes the proposed Bronze membership benefits.
- Access to 4 virtual workshops per membership year.
- Team learning opportunities and relevant digital resources.
- Company profile, approved event recognition and case study opportunities.
- Proposed annual digital readiness and employer engagement discussions.
- Conference passes, private company forums and job postings remain subject to approval.

LEADERSHIP AND IMPACT

Champion the digital future.

Gold Membership is designed for organisations seeking deeper involvement and opportunities to share expertise.

Gold Membership

$5,000

ONE YEAR / FORMER CORPORATE PREMIUM TIER

A higher engagement opportunity for organisations leading digital transformation.

- Includes the proposed Silver membership benefits.
- Access to 6 virtual workshops per membership year.
- One dedicated in house workshop day, with arrangements agreed in advance.
- Annual leadership briefing on South Australian digital initiatives and emerging capability.
- Recognition at one eligible BDSA event, subject to programme approval.
- Enhanced visibility, company capability exposure and talent connections.
- Executive roundtables, working groups and thought leadership are proposed additions.

WHAT ORGANISATIONS CAN HELP SHAPE

Real industry conversations and collaboration

Member organisations can contribute practical experience to discussions around BIM, digital delivery, information requirements, digital asset management, AI and future workforce capability. Opportunities are shaped by programme needs, availability and governance.

AT A GLANCE

Choose your level of involvement.

OPEN MEMBERSHIP PAGE

Online card payments require activation of the Wix payment provider and an eligible site plan. Until then, enquiries can be sent directly to BDSA.

IMPORTANT MEMBERSHIP INFORMATION

Term	Paid memberships cover 12 months following activation. Fees are collected upfront, with no automatic renewal in the current website setup.
Prices	Amounts shown are in Australian dollars. GST treatment, invoicing and any applicable taxes must be confirmed by BDSA.
Benefits	This prospectus is a proposal based on the prior committee review draft and a new five tier structure. Bronze benefits are newly proposed. Any workshop delivery, ticket allocation, speaking opportunity, job board feature, private discussion space and event recognition are subject to committee agreement, availability and published conditions.
Digital member spaces	Discussion forums, company spaces and role listings must not be treated as active or guaranteed until authentication, privacy and moderation arrangements have been completed.
Sponsorship	Membership and separately sold event sponsorship packages are distinct. Similar tier names do not automatically include sponsorship rights.
Enquiries	For corporate inclusions, eligibility, partnership opportunities or an invoice request, contact info@builtdigitalsa.com.au.
